DETAILED ACTION

1. This is in response to the Applicant's amendments and arguments filed on December 22, 2004 in which claims 1, 12-14, 23, 34-36, and 45-47 have been amended. Claims 1-47 are currently pending.

Drawings

2. Figures 8-11 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Allowable Subject Matter

- 3. After a further search and thorough examination of the present application and in view of the applicant's arguments and amendments, claims 1-47 are found to be in condition of allowance.
- 4. The following is an examiner's statement of reasons for allowance: the cited prior arts fail to teach the claimed limitations for the reasons set forth in the Applicant's remark filed on 12/22/04 pages 19-21.
